St. Monica Parish, Whitefish Bay, WI
Grant Application to Support Service Opportunities
2017 Giving Cycle

St. Monica Parish has instituted a service grant program to support individual parishioners from St. Monica Parish or All Saints Parish who respond to God's call by seeking service opportunities beyond the boundaries of their home parish. We welcome applications from active parishioners from St. Monica Parish or All Saints parish seeking financial support for such service work.

These service grants are meant to help defray transportation and living costs incurred in such service. Grants are typically $250 or less, and will rarely be given for the entire cost of an activity. We support service whose mission is consistent with our Parish Mission Statement (available at www.st-monica.org) and that is in accord with Catholic social teachings. Parish-sponsored programs/trips are excluded from consideration.

Service Grant applications are accepted on a rolling basis, but all funds must be paid out by June 15, 2017. Applicants are expected to be active members of St. Monica, or our sister parish, All Saints.

Note that this form is only to be used by individuals seeking service support grants.
