

PARENT & ALTAR SERVER ACKNOWLEDGEMENT

We acknowledge that having an Altar Server in your family adds to your faith experiences and sacramental participation. It also includes shared responsibility and communication between parent and server.

We are pleased to provide this Servers' Manual of the ministry of Saint Monica Parish Altar Servers. This was prepared, with the intention of providing necessary preparation, so every server would be ready to be the best server possible.

It is important that each server in your family spend the needed time with this Manual so that he or she is as competent and confident, so their serving experience can be as joyful as it is intended to be.

Section 2 of this Manual is devoted to the parents of our ministry because you are a vital component of our success.

Please sign below and return via email to the sacristy next time you serve.

I have read the Manual in its entirety and take the responsibility of informing Mr. Keating what I need to do to be proficient. I commit to being responsible to fulfill the server obligations for which I am scheduled, or to request a substitute.

Server Name _____ Server Signature/Date _____

Server Name _____ Server Signature/Date _____

I have read and understand the parent section of this manual and I am satisfied that my server is aware of all that is in it. We agree to work together so our attendance and reverence is not an issue.

Parent Name _____ Parent Signature/Date _____
